Tour name : Aegina, Poros and Hydra Islands Cruise (including package)

Duration: 10 hours

Description :

Relax and enjoy the sea breezes and the pampering as you cruise to the most beautiful islands in the world: Hydra, Poros & Aegina! On this full-day island voyage you will cruise from Flisvos Marina on a 50-meter state-of-the-art ship. Luxuriously appointed with beautiful lounges and dining areas, you can enjoy culinary delights whenever you like. The air-conditioned ship boasts 2 fully-stocked bars and is equipped with strong Wi-Fi and mobile signals. The first port of call is Hydra, a small but beautiful island steeped in history and a popular destination that's not far from the Greek mainland. Its cobblestone streets, where donkeys are the primary mode of transportation, are lined with mansions and centuries-old churches. The town of Hydra was built on imposing rocky slopes, and has remained intact and unspoiled by modern development. Poros is an island of peace, romance, and relaxation. The island's pine trees line the rugged shores and the sandy beaches. Approaching Poros by sea you will see the historical clock tower atop the island's highest hill. The beach houses are mostly neoclassical in style, with the first built in 1463. Explore the town centre and the Archaeological Museum. Aegina is the land of the legendary Achilles. Visit the Temple of Athena, situated atop a pine-covered hill in the north-eastern part of the island. See the church of Saint Nectarios, which houses a silver urn with the relics of St. Nectarios, the patron saint of the island.
