Dolphin Tour

After being picked up from your hotel, you will be taken to the Kizimkazi fishing village - on the South coast of Zanzibar Island, where you hop aboard a boat.

As you take to the beautiful turquoise waters, you will explore the bay and admire the stunning coastline from a new perspective. You will have plenty of time to swim in the ocean, and if you are lucky you not only may you have the chance to see the dolphins, but you may be able to make your dreams come true as you swim with wild dolphins!

An unforgettable day out is guaranteed, however, dolphin sightings are not always possible, as they move around, alot!

Jozani and Kizimkazi Dolphins and Monkey

Have you or your children always dreamed of seeing dolphins? This is your day. Start your morning at Kizimkazi, the former capital of Zanzibar and home to the oldest mosque in East Africa still stands. This unique house of worship bears testimony to the early arrival of the Persians in Zanzibar's South, built around the 12th century. After a quick look at the mosque get ready for an adventure as you board a motorized boat and set sail for a thrilling dolphin search. Should luck is on our side, you will even have the chance to swim with these beautiful mammals. After the boat trip, enjoy some free time to dive into the crystal waters with a snorkle and marvel the underwater world teaming with an abundance of marine life and colourful coral.

Once back ashore, savour traditional Swahili snacks, before heading to Jozani National Park, one of the remaining rain forests of East Africa. Take a walk through the luxurious green swamp forest, on the specially designed boardwalk into the mangroves where you will come face-to-face with curious, adorable and photogenic little Zanzibar Red Colobus Monkeys!

Mnemba Island Tour

Dive into the crystalline waters of Mnemba Island, atoll set just off the northeast coast near Matemwe. Diving at Mnemba is an unforgettable experience, on the inside, you will feel that you are immersed in a giant aquarium and the outside offers incredible wall and drift dives.

This protected site is rich in marine life and home to Moorish idols, snappers, clownfish, colourful starfish amongst others. As you are exploring the turquoise waters, you may even spot a dolphin or two, and if you are even luckier, green turtles!

Mnemba gives you the perfect opportunity to view the best fish the Indian Ocean has to offer. The island itself is a breeding ground for turtles and they are often seen gliding by along with dolphins, huge schools of fish, whale sharks and humpbacks when in season.

Prison Island Tour

Escape to Changuu Island “Prison Island” on this 5-hour excursion and behold the beauty of this charming tropical island and come face-to-face with fascinating Aldabra giant tortoises.

Upon arrival to the former slave island, you will be greeted by glistening turquoise waters and white sands. Don't forget your swimsuit! Located in the Indian Ocean, Changuu Island boasts pristine waters teeming with colourful marine life. Grab your snorkel and explore the magical underwater world.
