Optional Tours

Athens City Tour with Acropolis Museum - Morning Tour (5 hours) USD 76.

Learn all about Athens' ancient and modern history on this half-day tour of the city. Take a trip alongside expert guides, who will knowledgeably let you in on all there is to know and more about this fascinating city, in which past and present constantly blend. First, discover the breath-taking Panathenaic Stadium, a magnificent construction erected on the remains of an ancient Greek stadium. Here you will enjoy a 15-minute photo stop (approx.) at the astonishing site where the first Olympic Games of modern times were held in 1896

Then, as you continue, pass by the Royal Palace, the private residence of Greece's Prime Minister. Keep a lookout for the Euzones, the Palace's guards in their colourful uniforms! You will also be able to appreciate many incredible landmarks drenched in history, such as Hadrian's Arch, the Greek Parliament in Syntagma Square and Athens' memorial to the Unknown Soldier. Also discover the beauty of world-renowned modern institutions such as the University, the National Library and the Academy, named after the famous Academy founded by the philosopher Plato in the classical Greek era

Last but not least, you will visit the Acropolis, an old plateau abundant with various symbols of ancient Greece, the most magnificent of which are the remains of the Parthenon. For roughly two hours, you will be able to contrast this wonder of antique architecture with its modern attaché, the New Acropolis Museum, also an aesthetically astounding construction, as is, perhaps, the whole city of Athens, or at the very least, its history. With about 90 minutes in the museum, you will have ample time to admire the timeless exhibitions

Poros - Hydra - Aegina: One Day Cruise USD 140.

Discover Greek culture and lifestyle with a cruise to Poros, Hydra and Aegina - on the same day. Start the adventure in the port of Athens (if you have selected the option with transfers, you will take a transfer from the hotel to the port), from where we will sail to the island of Poros, one of the most beautiful islands in Greece, head ashore to the island of peace, romance and fun and explore the colourful island at your own leisure for an hour.

Return to the boat and glide over to Hydra, the second stop of the day. As you approach the island, admire the very special architecture and dramatic landscapes of this island, whose old traditional stone houses and mansions silently stand witness to a long and turbulent history. Listen as your guide provides handy tips on what to see and do on the island. Make the most of the unique charms of Hydra island, whose amphitheater once served as a safe shelter for Saronic Pirates. Enjoy 90 minutes of free time to stroll down the narrow lanes, relax over a refreshing cup of coffee, or browse the shops.

Round your experience off with a visit to the quaint and beautiful island of Aegina, where you can again explore at your own leisure with two hours of free time! If you fancy, perhaps, opt for an excursion on your own (not included) to the temple of Afaya, the best-preserved ancient site on the island.

Ferry from Athens (Piraeus Port) to Mykonos (SeaJets) USD 180.

From Piraeus Athens Port to Mykonos by this fast ferry is the best option you have and it can be a very nice and exciting experience. It only take 2.5-3h to arrive and then you can enjoy the island from the beginning of the day.

You will board the boat according to the chosen port option.

The complete route of the boat is Piraeus-Syros-Mykonos-Paros-Naxos-Ios-Santorini. The boat stops just for a couple minutes to these islands. The passengers don't have to get off the boat until to arrive to their destination

One Day Tour: Nafplio, Mycenae and Epidaurus USD 190.

Explore with your professional and passionate guide the remains of the ancient city of Mycenae, a major centre of Greek civilization from 1600BC to 1100BC and the archaeological treasure of .Epidaurus

Follow in the footsteps of the ancient Greeks on this fascinating full day excursion. Depart from our terminal via the coastal National highway for the strategically important Corinth canal (short stop). After the Corinth Canal, you enter the region of Argolis, land of Homer's Golden Mycenae, a UNESCO World Heritage site. Dating back to the second century B.C., Mycenae was one of the major centers of Greek civilization and a military stronghold which dominated much of southern Greece. Visit the archaeological site, home to the kingdom of mythical Agamemnon. You will see the Cyclopean Walls, the Lion's Gate, the Royal Tombs, including Agamemnon Clytemnestra's, and the Treasury of Atreus, a magnificent 14th-century B.C. structure. Time will then be taken for a traditional Greek optional lunch at a nearby restaurant. Afterward, stop in the beautiful sea port of Nauplia the first capital of modern Greece with its Venetian fortress of PALAMIDI and the fortified islet of BOURTZI (short stop). Continue on to Epidaurus and visit the ancient theatre. The UNESCO'S world heritage listed monument is reputed to be the birthplace of Apollo's son Asklepios, the healer and was the most celebrated healing center of the classical world. Epidaurus is probably most famous for its theatre, one of the best preserved classical Greek buildings and still used today due to its amazing acoustics. Your day trip .ends back to Athens late in the afternoon
