TOURS IN BALI

Bedugul and Tanah Lot - Full-Day Small Group Tour 30\$ Per person

Description

Your tour begins when you are picked up from your accommodation in Bali by your private driver/guide.

You will start with a visit to Taman Ayun, the Royal Temple of Mengwi. Built in 1634, this very impressive temple is Bali's most sacred, surrounded by a wide moat which creates the sensation as if you are standing in the middle of the lake.

From there, continue to Bedugul. This pleasant mountain village is located on Lake Bratan and you will visit its Botanical gardens and fresh market. Due to its higher altitude and cooler weather, Bedugul is Bali's agricultural center for vegetables.

Afterwards, enjoy your lunch at a local private retreat which is now open to the public by the lake. At the end of your lunch, take a short walk to the shore of the lake and then board a traditional boat or Jukung for a short paddle to reach the Ulun Danu Temple. You will discover this magnificent water temple from a different angle. See the temple from the distance standing proudly on the lake.

At the end of the day, you will head to Tanah Lot Temple, Bali's most photographed. The temple is perched on a little rocky islet that is inaccessible during high tides. After visiting Tanah Lot your driver will take you back to your accommodation.

Ulun Danu Temple and Nungnung Waterfall Private Tour – Full Day 75\$ per person

Description

About this tour

Looking to escape the towns and cities and experience Balinese nature at its finest? With an awesome alternative to Ubud Monkey Forest up our sleeves, we're excited to take you on the ultimate road trip around Secret Bali...

We'll pick you up bright and early and reach Sangeh Monkey Forest before the crowds do. This lesser-known monkey forest receives far fewer visitors than the famous Ubud sight which makes it a serene and peaceful place to stroll while meeting cheeky grey macaque monkeys.

Next, we have a treat in store: a visit to Nungnung Waterfall, a 165-metre drop hidden in the rainforest. You'll be able to take a dip and snap your photos before we stop for a tasty Balinese lunch at a local restaurant.

Our final stop will be Ulun Danu Temple, a Hindu water temple with spectacular mountain views on the banks of Lake Beratan. Your guide will explain the history of this serene floating temple located 1,200 metres above sea level. It's for sure a spectacular end to the tour before we transfer you back to your hotel!
